

STEM SELECT

Sample Schedule

Arrival

9:00am - 9:30am

All Campers regardless of transportation method, are escorted into our main gym, The Visscher Gym, where they will congregate with their directors, counselors and peers in their program.

CONCENTRATION

9:30am - 11:25am

The concentration refers to the 'path' chosen when selecting STEM Select as a Specialty Program. There are two options for a concentration: **Video Game Design** and **Robotics & Engineering**. This will be the area of focus over the course of the session, culminating in a project or competition style showcase.

Lunch

11:30am - 12pm

There is a half hour allotted for campers to eat lunch.

CONCENTRATION

12:05pm - 1:25pm

Camp Elective

1:30pm - 2:05pm

Here at LuHi, no matter what specific program you are in, every camper takes part in the camp experience! Though most of the day in STEM Select will involve STEM activities, we want all of our campers to have the chance to explore something new! Options would range from kickball, GaGa ball, basketball and many more! There could also be an opportunity to attend a show/performance on campus, depending on the session and what is available!

Water Activity

2:10pm - 2:40pm

Every day you will have the opportunity to participate in a water activity. Activities will alternate everyday between the swimming pool or a water slide activity! We 4 inflatable water slides, or our 40 foot Slip in Side!

Canteen or Clubhouse Time

2:40pm - 3:15pm

Dismissal

3:45pm - 4:15pm

Like all good things, each day at LuHi must come to an end. At the start of dismissal, your camper will be escorted by camp counselors to one of two locations, depending on their chosen mode of transportation. If you are picking up your camper at LuHi, you will meet them in The Visscher Gym where you will sign them out with a photo ID. If your camper is taking the bus, counselors will walk them down to the bus lot at their designated time.
